

7th Grade New Program and Hebrew:

- Weekly Sunday Zoom T'fillah with Jonathan Bayer and special guests 10:00-10:45 am.
- Weekly Sunday Zoom 7th grade classes from 12:00 1:00 pm. The year has been divided into three trimesters, based on "Al Shloshah Devarim", the three things upon which the world stands: *Torah, Avodah, and Gimilut Chasidim* (Torah, Prayer, and Acts of Loving kindness). Students will be divided into three groups, based on their geographical locations, and they will rotate through the three subject areas. Each trimester will consist of direct instruction, small group or partner research and study (*Hevrutah*), and presentations to the other members of the group. We are building in time for fun, sharing, and learning, and we hope that the whole family will participate in watching the presentations. The thinking behind the geographical groupings is that once in-person meetings can take place, you'll already have a group close by.
